Manuscript Title:	Criminal Policy (Penal Policy) in The Effectiveness of Law Enforcement in Indonesia
Evaluation Report	
General Comments	• This manuscript does not follow the author's guidelines; The formats of the writings need to be adjusted. • The abstract does not include an introduction to the investigated topic, an explanation of why the topic is important, a statement about the gap in the research. • The abstract exceeds the 250- word author guideline. • The conclusion must answer the penal policy issues in question • It does not give necessary details on the instruments used. • It does not include ethical practices. • The actual data collection procedures are not discussed. • It does not discuss results in scholarly manner. • It has numerous grammatical errors from the abstract to the sections. • It has typographical errors and errors in mechanics.
Advantage & Disadvantage	• The paper is still not well written. • Its methods, results and discussion are not well organized.
How to improve	• Adjust the formats of the writings to match the author's guidelines. • describes an introduction to the investigated topic, an explanation of why the topic is essential, and a statement about the gap in the research. • Reduce the words in the abstract. The word limit for an abstract should be less than 250 words • Relate the conclusion of the findings to the penal policy issues. • Elaborate and explain the instrumentation used in the research. • Do not describe the nature of the instruments under results. • Categorize observations in creative way. Present them as themes. Do not be repetitive in the presentation of results. • Substantiate results with details like quoted statements and pseudonyms of respondents being described.

	• Discuss results in scholarly manner. Compare and contrast results with existing studies. • Subject the paper to proofreading, editing and revising.

Manuscript Title:	Criminal Policy (Penal Policy) in The Effectiveness of Law Enforcement in Indonesia
Evaluation Report	
General Comments	- The manuscript findings are unclear. - The methodolody is not appropriately defined. - Literature review is not in a separate section. - The methods, results and discussion are not well organized. - It presents Miles and Huberman's theories/phases lengthily without contextualization. - It has many grammatical errors - The conclusion has not yet reflected upon the aims of the research-whether or not they were achieved.
Advantage & Disadvantage	- The paper is still not well written. - Its methods, results and discussion are not well organized.
How to improve	- Follow the author's guidelines. - Elaborate and explain the methodology with clarity. - Combine the literature review with the introduction section. - Discuss results in scholarly manner. Compare and contrast results with existing studies. - Contextualize the theories/phases of Miles and Huberman. Tell how they were applied in the study. - Substantiate results with details like quoted statements and pseudonyms of respondents being described. - Subject the paper to proofreading, editing and revising. - Add the conclusion with the relevance or the outcomes of the study.

Manuscript Information	
Manuscript ID:	IJDRI-2019-11-1266
Manuscript Title:	Criminal Policy (Penal Policy) in The Effectiveness of Law Enforcement in Indonesia

Evaluation Report	
General Comments	- Some discussions of the findings of the paper that relate to penal policy are still insufficient. - The actual procedures for data collection are not discussed.
Advantage & Disadvantage	- The paper is quite good with a few editing. - Its results and discussions still need elaboration.
How to improve	- Elaborate and explain the findings of the paper related to the impact of Indonesia's penal policy on the efficacy of law enforcement. - Describe the actual data collection procedures in the method section. Mention time, place, condition.
