kepada saya

Dear Author,

Thank you for your valuable contribution. Please revise your paper according to the comments. Some papers already been published, but publication was delayed due to errors in your paper. If you revise your paper according to the template, it will be published immediately.

- Indicate in the "Method" section of the manuscript the information that the research methodology section. Add the Sampling section in the method.

Please extend the method section. It is not sufficient to indicate what method you adopted, instead, you explain the reason. Additionally, more information is needed related to the participants. Finally, let more about the reliability of the instruments.

Sincerely,
Editorial Team

Revision Acknowledgement

Dear Author,

We have recently received the evaluation results for your manuscript ID: 647 entitled "**Space for Religious Moderation in the Context of Community Development: Muslim and Hindu Relations in Talang Ben Village, Indonesia**".

The review decision is as follows: Need Minor Revisions

It is evident that you have put considerable effort into conducting your research and preparing the manuscript. However, before we can proceed with the formal peer review process, I would like to provide you with some constructive feedback and request revisions to enhance the manuscript further. Please address all comments and make the necessary changes before resubmitting:

Reviewer(s)' Comments to Author:

- a) The abstract should be more concise and structured. Clearly state the objective, methods, key conclusions. Avoid unnecessary details. The keywords should be more specific and relevant to the study.
- b) The introduction needs improvement in terms of problem statement, study rationale and objectives. Objectives should be clearly stated at the end of introduction.
- c) Please reorganize your Methods section with the following subheadings, as much as possible: Study Setting, Study Population, Data Collection.
