Dear Dr Nurul Hak,

Thank you for your e-mail regarding the article title "The Transformation of Zakat in Promoting the Growth of the Halal Industry in Indonesia" .

I am happy to confirm that the journal and year in which your paper was published are covered in Scopus. Please be aware that the indexation process generally takes several weeks for an article to be visible on Scopus, which may include acquisition, metadata processing and delivery.

We therefore encourage our customers to allow 6 weeks after the publication date of the relevant article before it appears in the Scopus database.

If you notice after 6 weeks that the article has not been added, please contact me.

Kind regards,

**Noel Calicdan**

Dear Customer,

Thank you for contacting Elsevier Customer Service. This is an automated acknowledgement to confirm that we have received your email.

Please be advised that it may take up to four weeks for any relevant corrections to be completed. We appreciate your patience in this matter.

For missing requests, please note that if we are unable to get the original document we'll attempt to source one on your behalf, but this may result in delay in resolving your request or your request being returned if the original document cannot be sourced.

For all future correspondence please quote your unique reference number provided in the subject header of this email.

To know about our Scopus correction process and timelines, please visit [What can I expect after submitting a Missing Content or Data Correction request?](#).

To learn more about the Scopus Content Coverage and Content Selection Policies, please visit our webpage: [Scopus Content Coverage and Content Selection Policies](#).

Kind regards,

The Scopus Content Team
