Dear Dr. Ahmad Ghouri,

*Assalamualaikum warahmatullahi wabarakatuh*

I am writing to submit my manuscript titled "Synergizing Normative and Cultural Frameworks in Reforming Core Principles for Effective Zakat Supervision" for consideration in the Manchester Journal of Transnational Islamic Law & Practice. The paper explores the integration of normative and cultural frameworks with existing international guidelines for zakat supervision, drawing on examples from various Islamic practices and institutions.

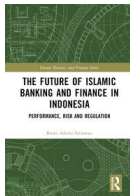

I believe that this manuscript offers a valuable contribution to the ongoing discourse on the standard of zakat supervision, particularly in its emphasis on aligning normative principles with cultural practices in Muslim-majority contexts.

Please let me know if any additional information or documentation is required. I look forward to the possibility of my manuscript being considered for publication in your esteemed journal.

Thank you for your time and consideration.

Respectfully,

--
